CREATIVE BRIEF

PROJECT SUMMARY

This website will bring the photography of Imogen Cunningham to a new audience unfamiliar with black and white photography. The site will explore her artistic style and images. Images of her photography will be included throughout the site.

PAGES

Home - Introduction to the site

Biography - Background on the artists life.

Influences - Discuss her artistic style and individuals who influenced her work. Discuss two artists and include some of their photographs. Link outside sites for information on other artists.

Gallery - Four galleries will be included: Early Years, Plants, Nudes and Vanity Fair.

Contact - Information on how to contact the author of the website including name, home address, company name and contact email address.

Credits - List of the resources and images used in preparing the site for both its content and images.

DESIGN SUMMARY

The overall design of the site will be in black and white and tones of gray since the artists' photographs are in this color spectrum. The site will visually yield some insight into the style of the artist (Modernism), as well as the unique work she produced. The typeface will be palatino linotype, italic and images will be used to emphasize the content.

AUDIENCE PROFILE

The target audience for this website are aspiring photographers and students of this art form. Also, any individuals who want learn about historical figures in this medium and study their techniques so that they can apply some of the same principles and ideas in their own work.

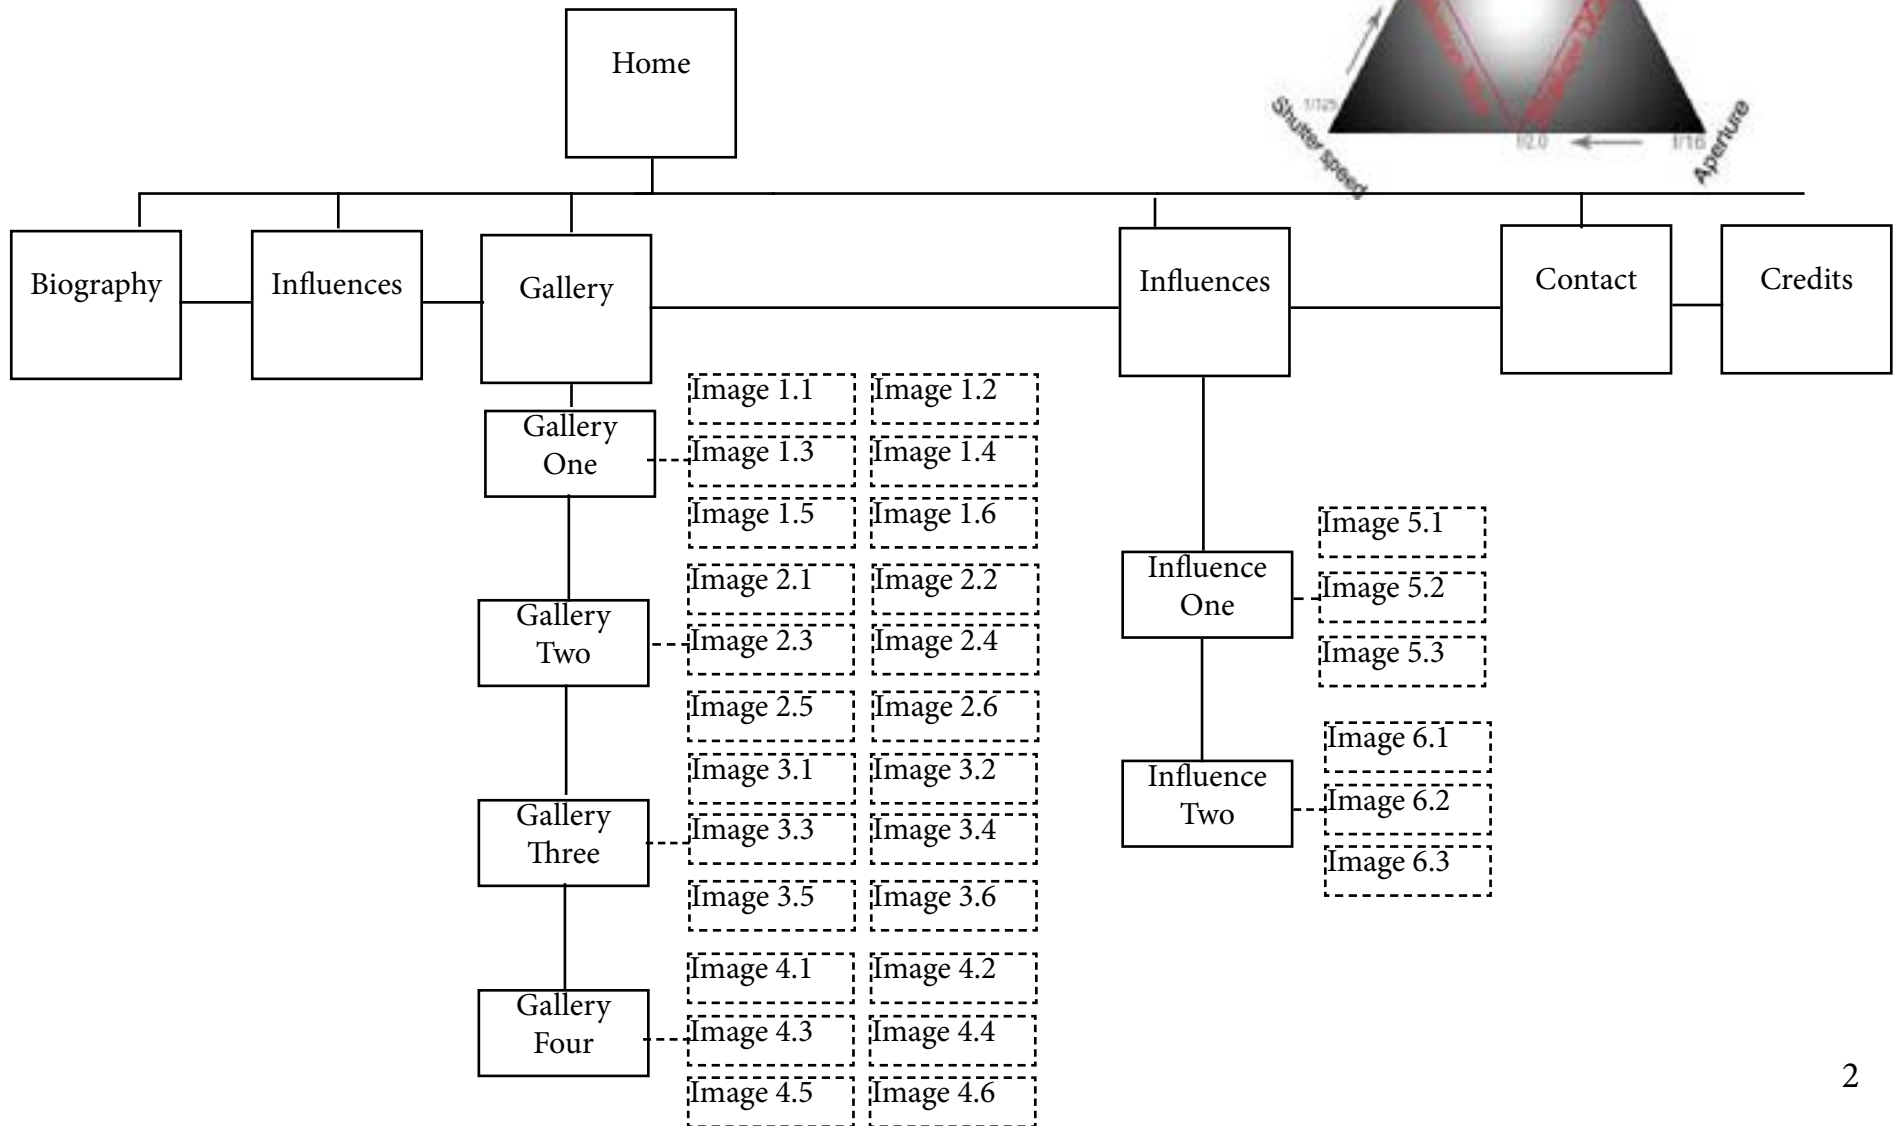

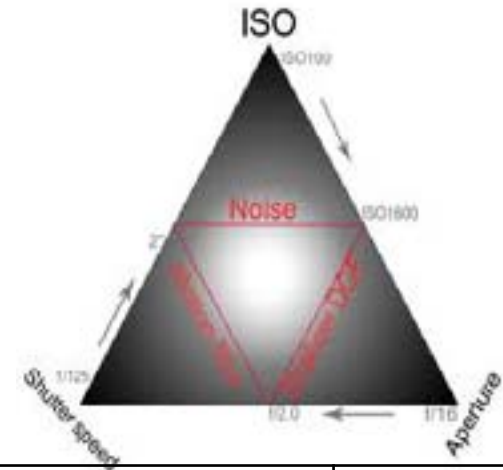

PERCEPTION/TONE

The tone of the site will be informative yet user friendly. Focus will be contemporary and use geometric forms that mimic the artists Modernistic style.
